I would like to start out my report by thanking everyone in Eventing Southland for their help throughout the season, in particular in the last few months as our lives have been a little hectic with the Dairy Awards.

What an exciting season it has been with the completion of our new Ryal Bush Eventing Centre, as well as two great competitions at Donovan Park. Eventing in the South looks set to continue with such an amazing facility and such positivity surrounding it. A huge thank you to the whole committee involved in both the construction and running of our inaugural event as well as all of those involved with both Sponsorship and Funding throughout

We have also had some great training opportunities, both with Donna Smith making three trips down and also the availability of training over both Donovan and Ryal Bush post events so thank you to all who have made these happen.

We have also continued to work towards increasing our officials in the South, both through recruiting and upgrading but this is an ongoing area that will need to be continued in order for us to be able to man our competitions for the future.

It has been a great two years manning the helm over some exciting times but with family and Dairy commitments I will be handing over the rains, I will continue with my involvement into the future and look forward to seeing the progress for Eventing in the South.

Thanks

Hanna Stalker

President
